

Exhibit RCG – 11: Top Ten Utility Green Pricing Programs

Source: Green Power Network Web Site:
<http://www.eere.energy.gov/greenpower/topten.shtml>

(As of December 2002)

Have you ever wondered which utilities are having the most success with their green pricing programs? What are the key measures of "success?" NREL has compiled extensive data on utility green pricing programs and produced the following "Top Ten" lists of program characteristics and results: total number of customer participants; customer participation rates; amount of new renewables development fostered by the program; and the premium charged to support new renewables development.

Total Number of Customer Participants (as of December 2002)				
Rank	Utility	Program Name(s)	Participants	
1	Los Angeles Department of Water and Power	<i>Green Power for a Green L.A.</i>	72,732 ¹	
2	Xcel Energy	<i>WindSource Renewable Energy Trust</i>	32,600 ²	
3	PacifiCorp ³	<i>Blue Sky Renewable Usage Salmon-Friendly</i>	20,028	
4	Portland General Electric Company ³	<i>Clean Wind Power Renewable Usage Salmon-Friendly</i>	19,623	
5	Sacramento Municipal Utility District	<i>Greenergy PV Pioneers</i>	19,172 ⁴	
6	We Energies	<i>Energy for Tomorrow</i>	11,014	
7	Alliant Energy	<i>Second Nature</i>	7,280	
8	Austin Energy	<i>GreenChoice</i>	6,725	
9	Tennessee Valley Authority	<i>Green Power Switch</i>	6,487	
10	Wisconsin Public Service	<i>SolarWise for Schools NatureWise</i>	5,644 ⁵	
Source: NREL				
Notes:				
¹ Includes 41,833 lifeline/low-income customers that have signed up for green power but do not pay a premium.				
² There were 9,420 participants in the <i>Renewable Energy Trust</i> program as of December 2002. About 20% of these customers also participate in the <i>Windsorce</i> program.				
³ Marketed in partnership with Green Mountain Energy Company.				
⁴ About 800 customers participate in the <i>PV Pioneers</i> program.				
⁵ A total of 1,048 customers participate in the <i>NatureWise</i> program. There are 204 customers that participate in both of the utility's green power programs.				

Customer Participation Rate (as of December 2002)				
Rank	Utility	Program Name(s)	Participation Rate	Start Date
1	Moorhead Public Service	<i>Capture the Wind</i>	5.8%	1998
2	Orcas Power & Light	<i>Green Power</i>	5.5%	1999
3	Los Angeles Department of Water and Power	<i>Green Power for a Green L.A.</i>	5.2% ¹	1999
4	Holy Cross Energy	<i>Wind Power Pioneers Local Renewable Energy Pool</i>	4.9%	1998
5	Central Electric Cooperative ²	<i>Green Power</i>	3.7%	1999
6	Madison Gas and Electric	<i>Wind Power Program</i>	3.6%	1999
6	Sacramento Municipal Utility District	<i>Greenenergy PV Pioneers</i>	3.6%	1997
8	Preston Public Utilities ³	<i>Wind Power</i>	3.4%	2000
9	Cass County Electric Cooperative ⁴	<i>Infinity Wind Energy</i>	3.1%	1999
10	Cedar Falls Utilities	<i>Wind Energy Electric Project</i>	3.0%	1999
10	Eugene Water and Electric Board	<i>EWEB Wind Power</i>	3.0%	1999
